**Instructions to complete “Look Into My Crystal Ball” necklace:**

**Step 1**

Using 30 4mm crystal bicone beads and about 4 feet of clear beading thread, make one woven beaded bead (see Woven Beaded Bead Technique).

**Step 2**

Use the holes between bicone beads to string the beaded bead onto the chain slightly off-center.

**Step 3**

Using chain nose pliers, open two jump rings (see Add a Charm to a Chain Technique). Use one jump ring to attach the lobster claw clasp to one end of the chain. Attach the second jump ring to the other end of the chain as the catch for the lobster claw. Close both jump rings.
